The board will instead process such communications as general informal inquiries, general correspondence, or general requests for information.

(3) **Manner of requests.** Requestors are strongly encouraged to make requests in writing. If the board receives an oral request, the board will reduce the request to writing and verify with the requestor in writing that it correctly memorializes the request. Requestors are also urged to include a description of the records requested by docket number, appellant name, subject matter, suggested search terms, or other means that will allow the public records officer or designee to identify the requested records. The board accepts in-person requests at its office during normal business hours, 8:00 a.m. to 5:00 p.m., Monday through Friday, excluding holidays and days the board's office is closed.

NEW SECTION

WAC 456-12-078 Response to Public Records Act requests.

(1) Within five business days of receiving a Public Records Act request, the board will assign the request a tracking number and log it. The public records officer or designee will evaluate the request according to the nature of the request, clarity, volume, and availability of requested records.

(2) Following the initial evaluation of the request, and within five business days of receipt of the request, the public records officer or designee will do one or more of the following:

(a) Make the records available for inspection or copying including:

(i) Providing an internet address and link on the website to specific records requested if copies are available on the office's website;

(ii) Sending copies to the requestor, if requested and where a payment or a deposit has been made, if any, or other terms of payment are agreed upon and have been satisfied.

(b) Acknowledge receipt of the request and provide a reasonable estimate of when records or an installment of records will be available. The public records officer or designee may revise the estimate.

(c) Acknowledge receipt of the request and ask the requestor to provide clarification for all or part of a request that is unclear, and provide, to the greatest extent possible, a reasonable estimate of time the board will need to respond to the unclear request or unclear part of a request if it is not clarified.

(i) Clarification may be requested and provided by phone and memorialized in writing, or by email or letter;

(ii) If the requestor fails to respond to a request for clarification within 30 calendar days and the entire request is unclear, the office need not respond to it. The board will only respond to those portions of a request that are clear.

(d) Deny the request.

(3) The board may request additional time to respond to a request because of the need to clarify the request, locate and assemble the

records requested, notify third persons or agencies affected by the request, or determine whether any of the information requested is exempt and that a denial should be made as to all or part of the request.

(4) The board will provide an estimate of the time required to respond to a request, and may provide an estimate of copying costs specific to a request seeking an estimate of cost. If the requestor believes the amount of time or estimated costs are not reasonable, the requestor may petition the board for review as outlined in WAC 456-12-115(2).

NEW SECTION

WAC 456-12-083 Providing responsive records to a Public Records Act request. (1) **Inspecting records.** Consistent with other demands, the board will provide space to inspect public records at a designated location. No member of the public may remove a document from the viewing area or disassemble or alter any document. The requestor must indicate which documents he or she wishes the office to copy.

(a) The requestor must claim or review the assembled records within 30 days of the board's notification that the records are available for inspection or copying. The board will notify the requestor in writing of this requirement and inform the requestor that he or she should contact the board to make arrangements to claim or review the records.

(b) If the requestor fails to claim or review the records within the 30-day period or make other arrangements, the board may close the request and refile the assembled records.

(2) **Providing copies of records.** After inspection is complete and the requestor asks for copies of some or all of the inspected records, or where copies are otherwise requested, the public records officer or designee will make the requested copies or arrange for copying.

(a) If the board charges for copies, the requestor must pay for the copies before the copies are provided.

(b) Electronic records will be provided as a link to the records if the records are located on the website, or in a format used by the board which is generally commercially available to the public. Records will generally not be provided by email for records responses with multiple records, or where records may not be successfully delivered or received via the board's or the requestor's email systems.

(3) **Providing records in installments.** When a request is for a large number of records, the public records officer or designee will provide access for inspection and copying in installments, if he or she reasonably determines that it would be practical to provide the records in that way. If, within 30 days, the requestor fails to inspect or pay for the entire set of records or for one or more of the installments, the public records officer or designee may stop searching for or producing the remaining records and close the request.

(4) **Multiple requests.** Multiple public records requests from the same requestor will be processed in a manner so as not to interfere with essential agency functions including processing records requests from other requestors. The board may process such requests in the order received, and may complete one request before searching for records for a subsequent request.

(5) **Completion of inspection.** When the review of the requested records is complete and all requested copies are provided, the public records officer or designee will indicate that the board has completed a reasonable search for the requested records and made any located nonexempt records available for inspection.

AMENDATORY SECTION (Amending WSR 99-13-098, filed 6/15/99, effective 7/16/99)

WAC 456-12-085 Costs and fees. (1) No fee will be charged for inspecting the board's public records.

(2) ~~The board ((will charge ten cents per page for copies of requested public records. Payment will be made by check payable to the board. The board may require that all charges be paid before the copies are released. The executive director may decide that no fee will be charged for the copies if the expense of processing the payment is greater than the cost of providing the copies.))~~ does not calculate all actual costs for copying records because to do so would be unduly burdensome for the following reasons:

(a) The board does not have the resources to conduct a study to determine all its actual copying costs; and

(b) Conducting such a study would interfere with other essential agency functions.

(3) The board will charge for copies of records pursuant to the default fees in RCW 42.56.120 (2)(b) and (c). The board may charge other copy fees authorized by statutes outside of chapter 42.56 RCW. The board may enter into an alternative fee agreement with a requestor under RCW 42.56.120(4).

(4) The board requires requestors to pay for copies in advance of receiving records. Fee waivers are an exception and are available for some small requests. The public records officer has the discretion to waive fees when:

(a) All of the records responsive to an entire request are paper copies and are 25 or fewer pages; or

(b) All of the records responsive to an entire request are electronic and can be provided in a single email with attachments of a size totaling no more than the equivalent of 100 printed pages. If that email for any reason is not deliverable, records will be provided through another means of delivery, and the requestor will be charged in accordance with this rule.

(c) Fee waivers are not applicable to records provided in installments.

(5) The public records officer may require an advance deposit of 10 percent of the estimated fees when the copying fees for an installment or an entire request, or customized service charge, exceeds \$25.

(6) All required fees must be paid in advance of release of the copies or an installment of copies, or in advance of when a deposit is required. The board will notify the requestor of when payment is due.

(7) Payment should be made by check or money order to the board. The board prefers not to receive cash. For cash payments, it is within the public records officer's discretion to determine the denomination of bills and coins that will be accepted.

(8) The board will close a request when a requestor fails by the payment date to pay in the manner prescribed for records, an installment of records, or a required deposit.

AMENDATORY SECTION (Amending WSR 99-13-098, filed 6/15/99, effective 7/16/99)

WAC 456-12-105 Exemptions and denying requests for public records. (1) The board may determine that all or part of a requested public record is exempt under the Public Records Act, chapter 42.17 RCW, or other law and may not be inspected or copied.

(2) ~~((All denials of a request for public records will contain a written statement from the executive director stating the reason for the denial, including a statement of the specific exemption authorizing the withholding of the record and a brief explanation of how the exemption applies to the record withheld.))~~ If the board believes that a record or part of a record is exempt from disclosure and should be withheld, the public records officer or designee will state the specific exemption and provide a brief written explanation as to why it is being withheld. If only a portion of a record is exempt from disclosure, the public records officer or designee will redact the exempt portions, provide the nonexempt portions, and indicate to the requestor why portions of the record are being redacted.

(3) ~~((The board may remove identifying details when it makes available or publishes any public record when there is reason to believe that revealing such details would be an invasion of personal privacy protected by chapter 42.17 RCW.))~~ If the requested records contain information that may affect the rights of others, the public records officer or designee may give notice to those whose rights may be affected by the disclosure under RCW 42.56.540 before providing the records. Notice should be given to make it possible for those other persons to contact the requestor and ask him or her to revise the request, or, if necessary, to seek an order from a court to prevent or limit the disclosure. The notice to the affected persons will include a copy of the request.

(4) The board is prohibited by statute from disclosing lists of individuals for commercial purposes.

NEW SECTION

WAC 456-12-112 Closing a request for public records. (1) When the requestor either withdraws a request, or fails to clarify an entirely unclear request, or fails to fulfill his or her obligations to inspect the records, pay the deposit, pay the required fees for an installment, or make a final payment for the requested copies, the public records officer or designee will close the request and, unless the board has already indicated in previous correspondence that the request would be closed under the above circumstances, indicate to the requestor that the office has closed the request.

(2) If, after the board has informed the requestor that it has provided all available records, the board becomes aware of additional

responsive documents existing at the time of the request, it will promptly inform the requestor.

AMENDATORY SECTION (Amending WSR 99-13-098, filed 6/15/99, effective 7/16/99)

~~(3) The board will issue a written decision within two business days of receiving the request for review.~~

~~(4) The board's written decision regarding the request for review will be the final action by the agency.))~~ (1) Requestors are encouraged to communicate with the public records officer or assigned designee about denials of public records requests, estimates of time, or estimates of costs. If unsatisfied, a requestor may seek review of the issue.

(2) Any person who objects to the board's denial or partial denial of a request for public records or contends an estimate of time to provide records or copying costs to provide records is not reasonable, may petition for prompt review of the decision by submitting a written request to the executive director for a review by the board.

(3) The written request for review must specifically refer to the written statement by the public records officer or designee which accompanied the denial or estimate.

(4) Within two business days of receiving a written request for review, the executive director will schedule a meeting of the board to review the denial.

(5) The board will issue a written decision or order within two business days of the board's meeting where the request for review is considered. The board will affirm, reverse, or amend the denial or estimate.

(6) The board's written decision regarding a request for review will be the final action by the board.

(7) The board will have concluded a public record is exempt from disclosure for purposes of WAC 44-06-160 only after the review conducted under this section has been completed.
